HIGH SCHOOL

Volume 72 – Tabula – *nineteen hundred sixty-six*

A Proud Future Grows . . .

Mr. G. Alvin Wilson came to Oak Park and River Forest High School in 1935 to teach in the Department of Business Education. Seven years later, in 1942, he became Business Supervisor. In 1956 his title was changed to Assistant Superintendent in charge of Business Administration.

No individual has had more to do with the growth and improvement of the school. As a part of his responsibilities between 1945 and 1965, Mr. Wilson handled all business and contracts related to the rebuilding of the North Wing, a new addition to the Girls' Fieldhouse, the construction of the library and cafeteria, and the purchase of land for our "Northwest" athletic field.

This year, at the end of the first semester, Mr. Wilson retired, but the school plant he helped to plan and shape has made this a better place to learn.

We proudly dedicate this book to a witty and capable man and an effective leader who for thirty years worked to make this a good school.

School Board Looks Ahead

The Board of Education of Oak Park and River Forest High School plays a vital part in keeping our school one of the best in the country.

This year Board members have been concerned not only with moving ahead in academic fields, but also with looking far into the future to determine what school plans can best serve the community for the next fifty years.

On November 13, 1965 the voters of Oak Park and River Forest approved a nine million dollar Bond Issue, with approximately six million allowed for building a large addition to the school, and three million allocated to the renovation and improvement of present facilities.

Work on the new addition, which will be built in the area between the present main building and the gyms, is scheduled to begin in September, 1966.

Every department in school will benefit from the building and the remodeling. A new auditorium will seat 1700 people, and a student cafeteria will have a seating capacity of 1200. Recently a Citizens' Committee that studied probable school enrollment for the next ten years predicted an increase from our present 3300 to 4500, or even 5300.

It will be the proud responsibility of the Board of Education to keep the quality of education high during this period of expansion.

Dr. Gene L. Schwilck

Dr. Gene L. Schwilck has an important assignment as Superintendent of Oak Park and River Forest High School. It is his responsibility to be sure that the words on the school crest—Those Things That Are Best—remain a reality.

Dr. Schwilck is interested in all of school life. He encourages advanced and experimental work in all academic areas; he is interested in each of the extra-curricular activities; and he works to be sure that the building planned for our school will provide the best possible setting for all that we hope to accomplish.

Even with all of these demands, Dr. Schwilck finds time for the individual. A friendly person, with a quick smile and a liking for a little fun along with work, Dr. Schwilck is always willing to give thoughtful consideration to problems, or suggestions. A man of decision, Dr. Schwilck moves forward, effectively translating ideas and possibilities into programs of action.

For all of these things, and many more, we are grateful to Dr. Schwilck, and give him our best wishes for the future.

Deans Advise . . .

A dean plays a very important role in the student's four years at high school. For the Freshman, the dean answers many questions, helps plan his program, and familiarizes him with his new surroundings. In the Sophomore year the dean suggests the possibility of college. For the Junior, the dean directs a year of testing. For the Senior, the dean carefully discusses and advises the student on his choice of college, or about his future plans for work.

A dean takes an active interest in the student as an individual. He is our school's good-will ambassador between the student and his education.

...With Exciting Changes

This year our library has made a major advance in the "quest for excellence." The Knapp Grant, a two-year grant of approximately 100,000 dollars, has been used to expand and organize all facilities. The three main changes in the library are: 1. The library staff has been increased; 2. More materials and equipment have been acquired; and 3. Three resource centers have been established.

This year our library continues the tradition of "Those Things That Are Best."

Students gain experience in Audio Visual Department.

Listening Room

The Knapp Grant has made possible the establishment of new library resource centers and additions to our old resource centers. They offer many opportunities to aid the student in study, research projects, and leisure reading.

The Language Center in Room 365, under the supervision of Mr. Wieman, is designed to give the student experience for growth and depth outside the classroom. It is supplied with newspapers, magazines, books, filmstrips, slides, and records in the various foreign languages.

The History Resource Center in Room 248, under the supervision of Miss Seibel, contains books, magazines, and reference materials.

In the Math and Science Center, Room 263, under the supervision of Mrs. Heimann, students may use desk calculators, an IBM card punch calculator, a microfilm reader, and a slide and moving picture projector. Books and magazines are also available.

The Art Center in Room 243, under the supervision of Mr. Pelz, contains a collection of art books, magazines, and portfolios.

Second semester was interesting and exciting at our school. New teachers and assistants joined the staff; blueprints for next year's building grew ever more detailed in Room 200; several classes were added to the curriculum; the new Resource Centers, made possible by the Knapp Grant, went into full operation; and tentative plans were made for a unique retrieval system to be located in the library.

The proposed retrieval program, still in the planning stage, is being developed with the assistance of a grant from Title III of the Elementary and Secondary Education Act of 1965. Several faculty members, working in cooperation with the electronics industry, have developed a plan for electronic equipment for individual learning carrels which would allow any student in any one of 90 carrels located in the library to receive any one of 224 programs within 30 seconds after he had dialed the correct code number. The average waiting time would be approximately 15 seconds. Some of the programs to be stored, ready for call, are now being developed with the use of 16 and 18 mm films, 35 mm slides, and audio and video tape. Lectures by teachers, telelectures phoned in to classes, interviews, and on-the-spot recordings might all be a part of the final tape.

The second semester, from February to June, was not only productive in itself, but also promised much for the year ahead.

Clubs . . .

While sports provide opportunities to build the body, clubs offer a chance to expand interests, develop personality, and make the individual a better, more complete person. It is such people who provide the impetus to keep the club moving. Yet, no club is ever formed except around the interest of its members, and no club endures without it.

It is because each club represents a different interest that a separate write-up is given for each one. The short paragraph can define only a few of the protons which surround the nucleus of its existence. They are for each to explore and enjoy. Happiness, then, is belonging to a club, exploring ideas, widen-

ing horizons. Happiness is also seeing films, hearing speakers, and going on field trips. And perhaps most of all happiness is an ice cream bar after an enjoyable meeting.

There were thirty-two clubs active this year. These clubs are: Art, Astro-Physics, Biology, Boys' Camera, Burke, Chess, Le Cercle Francais, Folk Music, Footlights, Forum, Forum Romanum, Future Teachers, Gavel, German, Girls' Camera, History, Home Economics, Human Affairs, International, Junior Red Cross, Lincoln, Math, Medical Careers, Newton, Pan American, Radio, Railroad, Saludos Amigos, SPQR, Stamp and Coin, Timers', and Ushers' Club.

Horace once said, "A picture is a poem without words." And so it is. However, just as you need not be a poet to read poetry, neither must you be an artist to appreciate art.

The objective of the Art Club is to broaden the knowledge of its members by increasing their understanding of many interrelated fields of art. This is done by trips to the Art Institute and art galleries. Speakers and movies are also useful tools. Many members of Art Club entered their work in an Art Show held in April.

Pictures form a history in themselves. How well they are taken, and how much ingenuity they display, will determine how well they will be remembered, how well they record their story.

Developing these pictures is the second part of the story. As much skill and care as were needed to take the picture must be used to develop it. The result is an unapproachable method to preserve the past.

Bryant once said "Eloquence is the poetry of prose." In a world of speed and mechanization, the beauty of words might quickly be forgotten but for clubs like Burke.

Eloquence is an important thing in debate, because the objective of debating is to influence, and what influences us more than words? Eloquence does not come easily, but it is valuable. To have "thoughts that breathe and words that burn" that is eloquence.

To enter a meeting of Chess Club is to enter a place of stillness. Yet, the quiet but disguises the battle which rages—within the minds of the generals. Chess is a game in which the password is strategy; the mind is master; and the board the servant. Anticipation is the thought and maneuver the action. Here is a game in which everybody wins, a game in which there is victory in defeat.

The language of a country is its most important asset, for language provides communication, and from communication we have understanding. Yet, a language need not embrace just one country. It may be the language of several countries. And so French is.

From listening to native speakers of French-speaking countries like France, Belgium, Switzerland, Senegal Africa, and Canada, members of French Club hear the language of many spoken, and therefore understand more about the lives of the many who speak French.

A debate club is not just a place for arguing. Anyone can argue, but few can debate. Nor is a debate club merely for speaking, because debating is more than just talking. Debating means being "up" on your topic and thinking quickly and clearly. Debating includes having poise to deliver a speech.

During the course of the year Forum has a tea to entertain the mothers of the members, and also meets with one of the men's debating clubs.

Forum Romanum is a club for students taking second, third, or fourth year Latin and interested in the culture which the Romans developed. To some people Latin may seem a "dull and dead" language. Yet, many of our present day words, philosophies, and governments have come down from the Romans.

Forum Romanum conducts its meetings much the same as meetings were held in ancient Rome. The members compete in a point system that places them anywhere from a "slave" to a "consul."

These "slaves"!

Teaching is one of the most difficult, interesting, frustrating, and rewarding occupations in our modern day world. There is little that is constant in teaching; every day brings new experiences, new techniques.

The story of teaching is a story of scholarship and sharing. To define teaching is difficult because it is complex, but visits to nearby grade schools, lectures, and discussions help explain a few of the many opportunities open in teaching.

A debate is not a fight, though the debaters grapple with words. A debater must take the offensive, not the defensive; he must attack. The mind must be quick; the words must be exact. The debater must know more than his opponent and be able to show it. This is debating and this is Gavel.

This club is not just for debating, however. Members combine good humor and friendliness to make the club all the more inviting.

Next question.

Some display knowledge.

German Club

Paul Fox ..... President
Steve Dubinsky ..... Vice President
Patricia Marciniak ..... Secretary
Linda Jackson ..... Treasurer

Language is perhaps the largest barrier which separates one people from another, but it can be conquered. To learn another language is the task of the class. However, appreciation of the language cannot be entirely achieved in the classroom. This is the role of German Club: to promote understanding and appreciation, as well as knowledge, by way of games and speakers.

Girls' Camera Club

Betty Kohl ..... President
Barbara Roath ..... Treasurer
Sue Thomison ..... Secretary

Taking pictures is no easy task, but that doesn't mean that girls can't take good pictures. However, this is only half the problem. The picture must be developed and printed. Developing negatives can be just as interesting as taking the pictures, because so many things can be done.

Girls aren't required to be able to take and develop pictures to belong to this club, but they must have an interest in learning.

Will fingerprints show?

History Club

John Nolan ..... President

"Human history is in essence a history of ideas," H. G. Wells once said.

Many of these "ideas" can never be discussed completely in the classroom for want of time, but this is the objective of History Club. Also, the present must not be neglected. The club emphasizes this by showing current full length movies, and lectures on interesting topics, and by sponsoring interesting trips.

Home Economics

Linda Huck ..... President
JoAnne Jobst ..... Vice President
Jean Kane ..... Secretary
Kathy Headtke ..... Treasurer

To many people homemaking is neither an art nor an occupation, but to those who understand, it is both. It is this skill which Home Economics Club endeavors to emphasize.

Homemaking includes not only leadership in home life, but also leadership in community life. Club demonstrations and trips to places like Northern Gas help girls in this club learn the possibilities and opportunities of Homemaking.

"Who Cares?" This is the motto of a club that seeks to promote understanding of problems and society. They care; they want to understand; they want to help.

That the members might be better able to discuss the issues and ideas of our modern day and age, the club program features guest speakers, movies, and debates. Yes, someone does care.

Why is Lincoln the symbol for this club? The answer is because members strive to reach his ability and understanding.

What did he have?

Well, wisdom for one thing. Yet, wisdom alone does not foster leadership, and so Lincoln must have had something else. It was wit. To combine these two traits, wisdom and wit, is to have the ability for leadership and debate. This is why Lincoln is the symbol for the members of this club.

"I have proved conclusively . . ."

Math Club

Scott Dolin	President
Amy Higgins	Vice President
Patty Peterson	Secretary
George Lykos	Treasurer

Many people have the concept that mathematics is rather a cut-and-dried subject, for the intellectual; however, for the Freshmen and Sophomores who belong to this club, this is not so.

Sometimes the ideas and the fun of mathematics are lost for want of time in the classroom. Math Club supplements the classroom—enjoyably.

Newton

Curt Hart	President
Jim Starkey	Vice President
Shirley Erisman	Secretary-Treasurer

Of all languages the most universal is mathematics, but to some of us it is also the most untranslatable. However, this shouldn't discourage any Junior or Senior interested in mathematics, because the objective of the club is to learn enjoyably.

Attempting not to duplicate principles learned in class, members of Newton play games, see films, listen to speakers, and hold discussions. Mathematics can be fun.

Pan American Club

Pat Kenworthy	President
Kathleen McIntosh	Vice President
Renee Lipschutz	Secretary
Carla Butler	Treasurer

Third and fourth year Spanish students join the Pan American Club in order to practice speaking Spanish more fluently. This club offers more personal assistance outside of the classroom while adding pleasure to the difficult task of learning a language.

During the year, lectures, games, parties, and discussions are all presented in Spanish. Mr. Wagus, the club sponsor, gives practical advice while he helps make the meetings enjoyable.

Radio Club

Joseph Topinka	President
Jack Brouhard	Vice President
Charles Jaeger	Secretary
Mike Cicchetti	Treasurer

The purpose of Radio Club is to promote interest in electronics, and particularly in amateur radio operating. The club keeps up with current advances in radio and hears lectures given by both members and faculty.

Club members who are licensed to operate a ham radio are allowed to use the club's equipment to contact other amateur operators. The club station has been issued the call numbers W9BMQ by the Federal Communications Commission.

"Now hear this; now hear this . . ."

Railroad Club

Have you ever wondered just what causes a club to cease to exist? This is the story of Railroad Club. What was is no longer. Yet, while it lasted, interesting things were done. The members constructed a model railway, continually adding to it by building engines and railroad cars. They took various trips over the years to see railroad yards, and locomotives run their last before being replaced by stronger, more efficient engines.

Yes, Railroad Club is no more, but in the course of the years it filled the need of its members.

Saludos Amigos, literally translated as "greeting friends," is a club which lives up to its name. Over thirty first and second year Spanish students learn about the customs of Spanish speaking countries, as well as learning to speak elementary Spanish.

A typical Spanish festivity is the annual Christmas Pinata Party, enjoyed by all members. Later on in the season the club holds a Spanish Banquet for all members.

Senatus Populusque Romanus, or in its more familiar form SPQR, is a club for first-year Latin students. This means that usually Freshmen enter this club, and it should be pointed out that they learn a good deal about Roman culture and the heritage of the Latin language. The club endeavors to instill this age old culture through games and lectures, as well as with interesting films.

A group of students with interest in collecting and trading stamps forms the small, successful Stamp Club. The purpose of the club is to provide an organization in which stamp and coin collectors may meet other collectors.

During the meetings, various techniques of gaining new and valuable stamps are discussed, and the members display and trade their stamps and coins.

The Company of Ushers is an organization which serves the school year round by ushering at plays, concerts, and other school-sponsored events.

This year the Company of Ushers was reorganized to make it more effective. Politeness, thoughtfulness, and courtesy were the watchwords. The members heard an Andy Frain usher talk on the philosophy of handling large crowds. Also they enjoyed a "Twelfth Night" Christmas party.

Yes, an usher is "one who takes a leading part in the theater."

Kathleen McIntosh	Treasurer

International Club tries to promote understanding of other peoples of the world and their cultures.

Because the nationalities of its members cover much of the world, discussions can be especially meaningful. And if America is the melting pot of the world, then International Club is the melting pot of Oak Park and River Forest High School.

Knowledge is the best weapon.

Timers

Dayl Simon	President
Bobi Harms, Sue Weinger	Head Timers
Pat Aarts	Secretary

The girls of Timers Club take the times and scores for all the home swimming meets: Freshman, Sophomore, and Varsity. Twenty girls are assigned to each meet, at which they run the scoreboard, recall ropes, and do all the clerical work. The girls also attend the away-meets to act as a cheering section.

Sometime in the spring a party is held for the timers and the swim team.

Words can do many things—when they are put together well. Our four publications make good use of the words in the English language, and each publication serves the school in its own way.

A full week of working to put words together correctly is the job of Trapeze Staff, with the purpose of informing the students about coming events, as well as reporting what has been happening.

Our two magazines, Crest and Lingua, serve the school by giving students an opportunity to write creatively and to develop their minds by reading literary works written by students.

Tabula, an effort that is a year-long task, provides a lasting record of the school year, and the people in it.

With these staffs, plus Photo Staff and Publishing Board, our school is able to express ideas, to report events, and to give a picture of school life.

Trapeze provides a week-by-week record of school events, reported and edited by a student staff. Six editors and the third period staff plan and produce the greater part of each issue, but members of Cub staff and the Journalism classes also make significant contributions. Mrs. Shick is adviser to the Cubs, and Miss Shuart for third-period Staff.

"Trap" work is team work. Every Friday, the staff chooses a lead story for the next paper. Material begins to come in on Monday and must be read, edited, and cleared to the printer by 4:00. Pictures, supplied by Photo Staff, are sent to the engraver Tuesday morning, and late copy is cleared.

Galley proof is read and dummy pages assembled on Wednesday morning. By six o'clock that day, page proof has been corrected and sent back to the printer. On Thursday 2500 copies of the newspaper are distributed by Publishing Board over the noon hour during homeroom periods.

Publishing Board, which meets daily in Room 350 during third period, works all week on the business of three school publications, under the supervision of Mr. Jensen. This group is responsible for the sales, advertising, and circulation of Tabula, Trapeze, and Crest.

Monday, the deadline for the week's "Trap" advertisements, is spent preparing advertising copy. Then the staff prepares layouts for the way in which the ads will appear in Thursday's paper. On Wednesday any left-over bookkeeping and checking of proof must be finished. Publishing Board is most well-known for the Thursday distribution of Trapeze from 124A. That day is also used for mailing the papers to subscribers and to other schools, as well as for making out the records and sending out bills. For the rest of the week, members of Publishing Board canvass merchants of the villages for future advertisements.

Although not a part of the Publishing Board Staff, the Homeroom Agents work diligently each week. In September they receive instructions about selling and distributing Traps. For the first two weeks they make a strong sales pitch, trying to get a record number of subscribers. The work includes getting and distributing the newspapers each week for the entire year.

"How do you like it? Wrote it myself."

Linguapolitan, the foreign language magazine of the school, is published twice each year. The issues, appearing in the Winter and again in the Spring, consist of original articles submitted by students of the Foreign Language Department.

Stories, poems, crossword puzzles, and other contributions are submitted from classes in French, German, Latin, Russian, Spanish, and Etymology. The main purposes of the magazine are to give readers an opportunity to utilize the languages being learned at school and to afford students, particularly at the upperclass levels, an incentive to write maturely.

The staff of the Foreign Language magazine is chosen by the retiring staff and the faculty advisers. Any student taking a foreign language is eligible to apply for the staff, but upperclassmen with a more intensive knowledge of a language are preferred.

The staff members, under the direction of Mrs. Soroka, meet as an extra-curricular activity daily eighth period to review material submitted. They select what they think is the most suitable for the magazine, and then the faculty advisers and students check our manuscripts in each language.

Not only does the staff select the published article, but it also designs the cover and assembles each magazine.

This year, interested students also contributed photography and art.

A Sophomore staff of Crest, with Miss Bane as supervisor, also meets each day to make preliminary judgments of material submitted by underclassmen.

Photo Staff is a group vital to school publications. Under the supervision of Mr. Meyer, these boys meet daily eighth period as a class for which they receive a grade. All the photographs for Trapeze and Tabula, except Senior pictures and "Spotlights," are taken by our Photo Staff. This year a new feature was added when the group began to take pictures for Crest.

Some people do not realize all the work that goes into taking just one picture. After an editor schedules a photo in the Future book in Room 126, it is assigned to a particular member of the staff. He is responsible for taking the picture, having it developed, and getting it down to 126 to the person who scheduled it. Often a shot requires more than one photographer in order to obtain the best picture possible. In any case, a member of photo staff is there to get proof of the happenings at our school.

"Are you kidding me?"

We are sorry you had to wait until June to get the production of the year, but anticipation is 90 per cent of the fun. The staff, eighteen upperclassmen under the supervision of Miss Shuart, has been hard at work since the beginning of September.

This year homeroom pictures were taken so that every student could have his picture appear at least once in the book. The motto of "Everybody's book for everybody" proved to be tremendous, with the book made to revolve around the idea—"Nobody here but people." Many pictures, devoted simply to the many moods of the students, appear in the yearbook.

The year for us has been a time of meeting deadlines, scheduling pictures, doing write-ups, checking copy, and adding finishing touches on the World's Greatest Annual.

Music of Continued Excellence . . .

Throughout the year the Music Department is never idle. From the first football game in September to Baccalaureate in June, the organizations provide music for the whole school.

Behind every performance are exhausting, and sometimes frustrating hours of practice and study. Finally comes the finished product, the concert, which always exemplifies continued excellence.

The instrumental groups are Concert Band, Concert Orchestra, Marching Band, Symphony Band, and Symphony Orchestra. Choral groups include Boys' Choir, Girls' Choir, Festival Chorus, and A Cappella Choir. All of the Music groups perform every type of music from the modern musical comedy to classic cantatas.

The faculty of the Music Department, all well qualified musicians, work to instill a love and reverence for this art in each of their students.

After the busy football season, the Stage Band, a small group of the band's best musicians, played for every home basketball game.

On January 28, the "Hustling Huskies" changed from a marching band to the formal Symphony Band to present a concert of diversified music.

Throughout the spring they continued to entertain, staging another concert, and accompanying A Cappella Choir in the Memorial Day Assembly.

"Once more, from the top."

Our Symphony Orchestra is one of the largest groups in the Music Department. Under the direction of Mr. Driggs for the past two years, the Orchestra has developed into a well disciplined and extremely popular organization.

The Orchestra's first appearance for the first semester was at the Fall Show where it once again established a reputation as a talented group. Next on the agenda was the formal concert at which Nancy Paddleford, pianist, was featured as a soloist. The Christmas Concert and the traditional Christmas Vespers closed the year of 1965.

Second Semester found the Orchestra ardently practicing for the annual operetta. The second annual "Pops" Concert swiftly followed two short months later. The two soloists featured were Beverly Falk, violinist, and Carolyn Martin, pianist. Finished with one more performance, the Orchestra was already preparing for the last formal concert of the year. Robert Fishback, pianist, and Jenny Lind, violinist, had the privilege of playing at the last concert.

The last performances of the year are at Baccalaureate and Commencement.

Songs To Be Sung

Miss Wood Directs

Give me an "O."

A Cappella Choir is the epitome of vocal music at Oak Park. The members, chosen on a selective basis after their Freshman and Sophomore years, are expert singers. This year their first concert, Christmas Vespers, given on December 6, included Schubert's Cantata, "Mass in G." This was accompanied by the Symphony Orchestra. Two weeks later the A Cappella Choir, with the Boys' and Girls' Choirs, presented the Junior-Senior Choral Concert. During this concert the singers showed their talents by performing all types of seasonal songs.

On February 25, 26, and 28 the A Cappella Choir staged "Bye-Bye Birdie" in the school auditorium. The entire cast of this musical comedy was taken from A Cappella Choir.

On May 16, A Cappella Choir again joined the other choirs for a Spring Music Festival. Sunday, June 13, the Choir presented a musical program for the Seniors and their parents at Baccalaureate.

"Hugo Peabody, you're my steady!"

"Bye-Bye Birdie," a musical comedy by Mike Stewart, Charles Strouse, and Lee Adams, was presented on Friday, February 25, Saturday afternoon and evening, February 26, and Monday, February 28, by A Cappella Choir under the direction of Miss Edna Ruth Wood.

"Bye-Bye Birdie" tells the story of what happens in a small town when a teen-age idol, drafted into the army, decides to bestow one last kiss on one of his fans. In the course of the plot Albert Peterson, the singer's agent, decides to marry Rose Alvarez, and finally to cut away from his Mama's apron strings. The rest of the story revolves about the commotion that disrupts the MacAfee family when daughter Kim is chosen from all of Conrad Birdie's fans to receive that last kiss.

The light humor and showmanship of the double casts produced a show well received by all.

"We love you, Conrad. Oh, yes we do."

Ensembles

As well as providing training in music, ensembles are the school's goodwill ambassadors to the villages. Through their performances, both inside and outside the school, these musicians not only entertain but show the high quality of music education available at Oak Park and River Forest High School.

All the ensembles are chosen by competitive selection and auditions. The students select their own music, routines, and original costumes, to add a little "something special" to their many fine performances.

"Act well your part, there all the honor lies." This quotation from the poetry of Alexander Pope is the motto of the National Thespian Society, an honor society for outstanding students of Dramatic Arts.

In our school Thespian troupe 2320 has many important functions. Each crew and committee for all major stage productions is coordinated by a Thespian who is experienced in that field. The Thespians also perform services to the school, such as cleaning the props room or painting the dressing rooms.

The honor of Thespian membership is conferred on those people who earn recognition in two fields of Dramatic Arts and help promote a living theater in our high school.

Stage Crew

"Wouldn't you like to do it?"

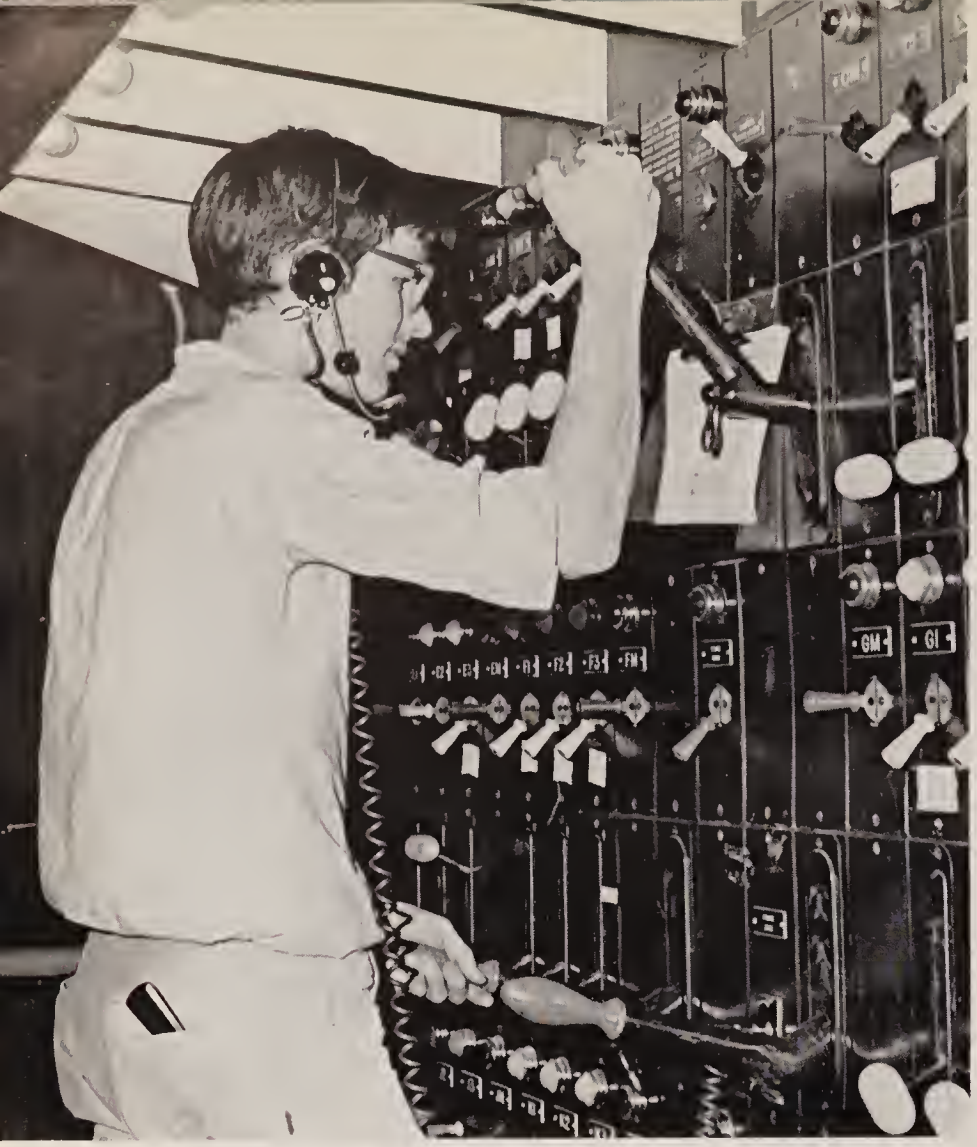
"You did it, not I."

"Double or nothing."

Drill time.

The scenery for the Fall Show, Operetta, and Spring Show was built by Stage Crew, which also worked backstage during many assemblies, concerts, and lectures. Under the supervision of Mr. Eitrheim the crew learned how to build, set, and strike the sets.

Stage Crew work is not easy for the boys must be "on their toes" during every minute of a production. The crew is trained to work the lights and to use sight and sound effects.



Marty blasts off.

Production Crews

Before opening night, much time is spent behind the scenes working on costumes, make-up, properties, publicity, and tickets.

Each committee has a Thespian Co-ordinator as chairman, and an adult adviser. Without the proper co-ordination of one committee, the whole play could fall apart.

The Costume committee helps make the costumes. When the accessories are rented, the committee straightens, irons, and mends the outfits. The members of the committee also help the characters dress for the nights of the play, and they are always on hand to do last-minute sewing.

The members of the Make-up committee are trained in the proper use of make-up. They are able to change a young, handsome boy into an old man, just with the use of greasepaint, pencils, and nose putty.

The properties which are used on stage are made and managed by the Props committee. These people add the final touches to the play by supplying telephones, coke bottles, candy dishes, etc.

Another committee which is important to a production is the Publicity committee. This group is divided into two parts: for written and oral publicity. The members working on the written publicity design posters and distribute them around the school and in windows of various stores. They also write articles, announcing the play, for several newspapers. The Oral Publicity committee gives announcements.

The fifth basic committee is Tickets. Members are in charge of selling the tickets and taking care of all advance orders.

Without these committees, our finest productions could not have been the sucesses that they were.

Witches, gangsters, and disappearing sticks were all a part of "Mrs. McThing" by Mary Chase, Fall Show of 1965. Presented on November 5 and 6, and directed by Mr. Radford, the play tells the story of Belle Larue, a woman of high society, who won't let her "darling son" play with Mimi, Mrs. McThing's daughter. Because of this, poor Mrs. Larue goes through all kinds of trouble, such as: (1) finding that her son Howay has been replaced by a stick boy; (2) being changed into a stick herself; and (3) running into trouble with three "tough" gangsters.

But, because little Mimi is so fond of Howay, the girl decides to solve everyone's problems by burning the sticks. Finally, surrounded by her servants and friends, Mrs. Larue comes home safely, Mimi and her mother are reunited, and the curtains close on a Fall Show that really ended "happily ever after."

Matinees Add Enjoyment and Interest

Students who participate in Dramatic Arts classes at school are given preparation and background for theater through work with costuming, staging, scene designing, make-up and actual acting. They are then eligible to participate in the Matinee Workshops.

Some of the Matinees presented this year have been: "The Bacchae"; "A Peculiar Position"; "Billy Budd"; the Pantomime show, "Some More Silence"; and "A House by the Stable."

"Scat Dog."

Sing along with mimes.

"Evohe."

"It is called the dawn."

"Oh, Heavenly Powers."

The two thousand year old story of "Electra" was done in a contemporary style for the Senior Class Play in a version by the French writer Jean Giraudoux. The play was presented on April 29 and 30 and directed by Mr. Duffy.

The story was a serious drama with a touch of sophisticated comedy. The characters were realistic, although a sense of the supernatural was added in the portrayal of the Eumenides.

"I don't say she's my daughter."

"The Corinthians are surrounding us."

The debate advisers.

Debating helps to develop the skills of analysis and advocacy. It teaches poise and confidence, as well as giving experience in research techniques and organization.

This year the topic under discussion was "Resolved: That the Federal Government Should Adopt a Program of Compulsory Arbitration in Labor-Management Disputes in Basic Industries."

The topic was debated on three levels: the Varsity level, the Junior-Varsity section, and the Novice division. These divisions were coached by Mr. Johnson, Miss Weir, and Miss Valentine.

Our high school hosted its second inter-scholastic debate tournament on January 15, 1966. Approximately twenty schools in the Chicago area participated in this event, with a total of over three hundred people. The winning school was awarded a trophy by Dr. Schwilck, himself an experienced debater.

Atalanta sponsors after school sports four days a week. It also sponsors annual activities that include the Football Dance, Mothers' Tea, Dad-Daughter Night, a Playday, and the Spring Banquet.

Awards are presented to members twice a year. A member receives one point for every time she participates in an after-school activity. These points are accumulated throughout four years, enabling a girl to win awards as high as First State.

Miss Glossup of the Girls' Physical Education Department was the sponsor for Atalanta this year.

Defense puts the damper on Waukegan's gains.

The Story Is Improvement

This year our Huskies placed fifth in Suburban League standings and ended the football season with a 3-4 record. The Varsity squad fought hard and exciting games, producing several outstanding players.

Oak Park ranked the third highest in the Suburban League for individual players who made the All-Suburban team. The Huskies chosen were linemen Bill Perry and Bill Wiedow, and backfield men Mike Bolletino, Steve Korovesis, Dave Armstrong, and Chuck Boyle. These men were also named to the Chicago Tribune All-Area team, and Bolletino was nominated for All-State.

During the first three games of the year our team spirit lagged. However, at Homecoming, morale built up, and the players demonstrated, from the Proviso game on, a great improvement in defense and pass protection. At our games with Evanston and Highland Park even the crowd could sense the rewards of an invigorated team.

Next year's team will look forward to the return of twelve Junior lettermen.

The Varsity Cross-Country team completed a successful season this year, highlighted by at least two near-perfect victories to finish with an impressive 9-2 record. Led by captain Jim Duncan, also the achievement award winner, the Harriers took fourth in the Suburban League meet.

Placing fourth in Suburban League standings, the squad was rounded out with outstanding contributions from lettermen Art Bogdanove, Gordon Todd, Ben Lounsbury, Steve Schultz, Paul Magida, Howard Doulder, Ron James and Mike Zweigoran.

Rain, mud, and puddles definitely had a dampening effect on the Hawkmen's early attempts at victory in soccer this year. Besides the weather, certain other problems were straightened out, and the team finished strong, in the true style of Oak Park Soccer.

One of the worst problems was an inability to score. This was corrected by point makers such as co-captains Yantis and Schmalandt, Tenner, Jeff Schoenfeld, Clemmens, and our champion from Chile, Miguel Schmidt. However, as in all games, defense is just as essential as scoring, and a remarkable job of goal-tending was turned in by Andy Weber.

The outstanding and always dependable performances of fullback Glenn Toppen, entitled him to a position on the All-State team. Another Hawkman receiving this honor was Horst Schmalandt.

Introducing . . .

This year's basketball team had a disappointing season in terms of wins and losses. However, as Mr. Kinert put it, "Every team that beat us was much bigger than we were, and we beat all the teams nearer our own size."

The team can take real pride in that the boys didn't give up. Rarely were they beaten by more than a few points. Bigger, faster teams had to struggle on several occasions to get the win. The best example of this is when seventh-ranked East Leyden had to come from behind to beat the Huskies by two points in the last few seconds of the last game of the season.

Ron Price and Bill Wiedow were elected co-captains and along with Dave Armstrong and Rick Iverson were Senior standouts. Also playing good ball were Rich Posson and Gordon Todd who will be with next year's team.

Wrestling has its ups and downs.

This year our Varsity wrestlers had a disappointing season, including two wins, nine losses, and one draw. In many of the meets the Huskies fought to such a close margin that the outcome of one match could have brought our team victory.

Outstanding performances were achieved, however, by several individual grapplers. Mike Zweigoron, at 103 and 112 pounds, finished first in district and third in sectional competition. Andy Helmus, at 138 pounds, won firsts in both the district meet and the Willowbrook Quadrangular tournament. Other fine records were turned in at the districts by Chuck Dressel, who finished second, and Jim Reynolds and Randy Pletcher, who both finished third.

Look Ma, no heads!

The highlight of the 1966 gymnastic season at Oak Park was the outstanding ninth place the team took in the state meet. Leading was Arnie Sepke, a Senior, who took a fourth place on the still rings, and ninth place in the all-round competition.

Earlier in the season, in regular League competition, the team compiled a 3-3 record. Outstanding gymnasts include Seniors Drake Tsioutsias on the still rings, Larry Kucharik on the horizontal bar, and Junior Bill Maloney, tumbler.

New Coach Leads A Promising Team

In his first year at Oak Park, Coach Vern Wilhelm led the swimming team to one of its best seasons in years. The team accumulated an excellent record, especially since several of the "lost meets" were lost only in the last event.

Much of Oak Park's claim to fame was due to the outstanding ability and power of free-styler Tom Shuler, who set records in both the 50-yard and 100-yard free style. Since he is a Junior, his return next year will help soften the loss of outstanding Senior swimmers John Ball and Wayne Morkes, and divers Jeff Schoenfeld and Ron James.

There's no water where?

Coach Jerry Slack stepped into the head coaching job in track this year and steered the team to another of their great seasons. This year's team consisted mostly of Juniors, but three outstanding Seniors, Bill Grieb, Jim Duncan and Kevin Kennedy, provided the catalyst for victory.

This squad, more than any other of recent years, possessed the potential of a great team for the future. Ben Lounsbury and Rick Shellhamer, as Juniors, were two of the most consistent scorers of the team. This year's Sophomore team, second in Suburban League, will add to next year's already abundant supply of talent.

The eight lap relay team of Grieb, Duncan, Chuck Dacter, and Ron Dacter, this season broke the all-time Oak Park record, and Bill Grieb, an inspiring runner and high jumper, tied the record in the 440 yard dash. With its well rounded team effort, this squad is difficult for any other team to defeat.

Entire Team Qualifies For State Meet

The Varsity tennis team compiled a tremendous record by remaining undefeated all year, and also qualifying the entire team for downstate finals competition. The performance all season of both singles and doubles teams was brilliant.

No school is allowed to send more than six men to Champaign for the state finals, and that is exactly the number of men Oak Park qualified. Dave Armstrong and Bill Clarkson represented Oak Park in singles competition, and two doubles teams of Larry Moelmann and Paul Hartman, and Jim Clarkson and Al Dutton qualified to complete Oak Park's contingent.

"Slumper" Schoff drives for a single.

This year's baseball team combined excellent pitching, air-tight fielding, and strong hitting to compile a better than average record. On the mound, hurling for the Huskies, returning lettermen Londos and Iverson frustrated opposing batters. Other returning lettermen provided the skill and experience to exhibit polished fielding, and strength at bat. Ken Schoff at second scooped in more than his share of spectacular catches, while Jim Heyer, at first, teamed up with the two other infielders, Ritter and Maeder, to chalk up a high percentage of double plays. Behind the plate Brian Yantis turned in an extra-fine performance, while as far away from him as possible, in the outfield, Wiedow and Morkes carried the ball.

Home runs by Wiedow and Heyer, and triples by Londos, Miller, Yantis, and Maeder highlighted the hitting efforts. Less spectacular, but just as essential, was the consistent hitting of Schoff.

Oak Park golfers defeated some very strong Suburban League opponents this year, and were beaten only on days when their games were off. Individuals who consistently placed well in meets include captain Bruce Badenoch, Bob Jordan, Don Porter, Tom Cunningham, and Junior Don McLaughlin.

The graduation of the first four will be felt next year, but since McLaughlin is only a Junior he will return next year.

Managers

It is no easy job to keep over 600 Oak Park athletes supplied with clean equipment, towels, uniforms, and all the other supplies used by the sports squads. Without the services of the Equipment Managers there would be great chaos and confusion.

Everyone owes a tremendous debt of gratitude to the athletic managers, who, under the direction of Mr. Padula, "Tony," are responsible for carrying out these vital duties.

Student Congress

We've got to pass that Bond Issue!

Marion amuses Congress.

Student Congress became a reality during the 1965-1966 school year. Composed of the members of the existing councils, and representatives of the various clubs and staffs, Student Congress provides a forum which enables the individual groups to cooperate in projects which call for the resources of more than one group.

Under the leadership of Barry Tilmann, vice-president of Student Council, and the other council vice-presidents, Congress was active during the campaign for the Bond Issue, and helped to raise funds for the A.F.S. students. Congress also set up committees headed by members of the group to help make plans for the new school, including suggestions for locker and desk design, a numbering system, and the new Student Area. In addition, a charter is being written to state the powers and responsibilities of the organization, and to clarify the proposed functions.

The formation of such an organization as Student Congress was a significant contribution to Oak Park's system of student government.

Student Congress, with the help of faculty advisers, has taken action in the development of student advisory committees for the new school enlargement program. Six chairmen have been chosen to organize and help with such various committees as Furniture, Lockers, and Room Numbering. The six chairmen are Diane Eulenberg, John Nolan, Al Sadove, Bob Tenner, Jim Weinstein, and Jim Figatner.

Student Council Members . . .

Student Council is the student government organization representing the entire school. Its purpose is to work on the problems of our school, as well as to sponsor various student activities.

The 1965-66 Student Council consisted of eight Freshmen, eight Sophomores, eleven Juniors, and twelve Seniors. Each candidate was required to submit a petition with twenty-five signatures before having his name appear on the ballot. Voting was then carried out on a voluntary basis.

Council this year was a very active one. Among its projects were the one-way stairs, an AFS student, buses to football games, and the Folk Music concert. The 1965-66 Student Council should be congratulated on a year of work well done.

Did somebody say spirit?

This year a new idea was formulated as a project for Student Council: Let's (W)Right What's Wrong Week. From "Gripe Week," as it was commonly called, a large number of suggestions were obtained which provided helpful and constructive criticism of many facets of school life.

Suggestions included painting the lockers and corridors brighter colors, improving the curriculum, providing more Honor Study Halls, and opening the Prom to people from other schools.

According to the great majority of the students, Let's (W)Right What's Wrong Week, was a big success.

Exchange Students

For several years, our school has participated in international student exchange programs. These programs permit us to enroll students from different countries and to send some of our own students abroad for study.

This year, we took part in two different exchange programs, the American Field Service and the International Student Exchange. These two programs are different in that A.F.S. students stay for three months or a year and attend school, but I.S.E. students stay only nine weeks and attend school as "auditors."

Our Exchange Students this year are Marie-Pierre Grosleron from France and Miguel Schmitt from Chile, who both came to us through the A.F.S. program. Matilde Chino and Jorge Lewinsky, both from Argentina, came to us through the I.S.E. We were also privileged to have one of our students, Helen Shapiro, chosen to study in Argentina for a year through the A.F.S. program.

Marie-Pierre has said, speaking also for other Exchange Students, "I think your A.F.S. year is the best. It makes you mature because you have to adapt to a new way of life. You understand the value of friendship better, and you realize that the world is not so large, after all."

Regardless of where the students come from, where they go, or what program they represent the purpose is the same. We hope to promote friendship and understanding among nations by sharing our most valuable resources—our young people.

Students Become Better Acquainted; Profits Go to Community Chest

The fifth annual Red Feather Mixer, held on Saturday night, September 25, had a record attendance of 1776 students from Fenwick, Trinity, and Oak Park and River Forest High Schools.

The dance, held in the Boys' Field House, was sponsored by the Student Council, in cooperation with Trinity and Fenwick. The Don Caron Band and The Sarfs provided the entertainment for the evening.

In addition to raising $1,672 for the Community Chest, the dance helped students from the three schools to become better acquainted.

Homecoming Dance Features Queen and Court

A beautiful Queen and lucky man.

The Homecoming Dance climaxed the events of the day. The caricatures of the Senior members of the Varsity football team, and the dim Orange and Blue lighting effects, were perfect elements to lift the spirits of the students after the afternoon's loss. The announcement of the 1965 Queen and her Court was the highlight of the dance.

The Junior members were: Lauri Swanson, Cindi Ricks, Peggy Akin, Barb Christian and Marcia Meilahn. The Seniors were: Jean Skidmore, Pam Gentile, Pat Murphy, Sue Weinger, and Pat Campbell. Joan Cowan was crowned the 1965 Homecoming Queen by Dr. Schwilck.

With the conclusion of the dance at 11:30, came the end of one of the most memorable and enjoyable days in the year.

Accident Reporting Chairman	Marion Bear
Driving Chairman	Bob Nicholas
Halls Chairman	Jim Weinstein
Program Chairman	Sue Todhunter
Secretarial Chairman	Joan Cowan
Traffic Coordination Chairman	Jim Kaiser

Safety Council, one of the largest of the student government groups in our school, has been in existence for over eighteen years. Its purpose is to promote safety and proper conduct throughout the entire school.

Safety Council is made up of six committees, with the duties of each committee fundamental to the success of the council as a whole. The names of the committees describe the work each does, as follows: Accident Reporting, Driving, Halls, Program, Secretarial, and Traffic Coordination. There is also the Executive Council, which consists of the President, Co-secretaries, and each Committee Chairman.

This past year Safety Council sponsored a Motto Contest. Because of the great student response, council asked the Deans to help judge the contest. The winner was Jane Kaska, a Senior, whose motto was "Safety For All Through The Courtesy of Each." The choosing of the motto launched a Safety Week, April 4-7, which was correlated with the new one-way stairs.

Together with its advisers, Mr. Palmer and Mr. Steans, Safety Council works for the benefit of the entire student body.

Crowded stairs prove to be a problem.

Jane Kaska is presented award for best motto.

Smoking Council

Smoking Council, which meets every Friday during eighth period, has a membership of eight Seniors and three Juniors selected as leaders of their class.

The council meetings follow parliamentary procedure and involve a simple investigation as to an offender's attitude toward the smoking regulations and the Council's authority. Offenders can be reported by Smoking Council and by all major Monogram winners. After a brief questioning period, the Council reaches a verdict on punishment, which is passed on to the offender's dean.

The purpose of Smoking Council is to enforce the smoking regulations of the school.

Leadership Colloquium

Mrs. King talks about leadership.

The fourth annual Leadership Colloquium was held on October 27, 1965. The purpose was to honor some fifty student leaders and their sponsors as well as to discuss the various aspects of leadership at the school.

The meeting was opened by Mr. Louis Fritzemeier, Assistant Superintendent, who introduced the guest speaker, the Rev. William H. Killam. Rev. Killam talked about the characteristics of a leader. A question-and-answer period followed, with both the faculty and students taking part.

After the discussion the group adjourned to the cafeteria for a banquet. Mr. G. Alvin Wilson, Assistant Superintendent in charge of Business Administration, presided. He introduced Mrs. Clara King of the English Department.

Mrs. King spoke about the students' attitude toward leadership, and emphasized the idea that a leader must guide by instruction or counsel, rather than by compulsion.

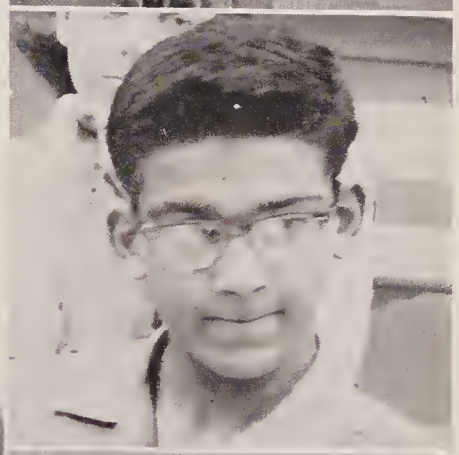
Fighting Faculty Fractures Fabulous Five.



The tremendous and powerful playing of the great Senior boys unfortunately did not pay off in this year's Student-Faculty Basketball Game. The faculty not only seemed to have a touch of a magic "wildness," but also had Batman and Robin (alias Mr. Zimmerman and Mr. Otero) on their side.

Those who fought for the faculty were: Professor Wilhelm, Professor Ottoson, Professor Mees, Professor Weber, Professor Jansky, Professor Wheaton, Professor Teclaw, Professor Allison, Professor Gaynor, and Coach, Professor Ebel.

Those battling for the terrific Seniors were: Bill Burlein, Mike Bolletino, Jim Heyer, Ron James, John Ball, Denny Ritter, Jim Figatner, Jeff Stempien, Bill Reid, Dick Podkasik, Bruce Badenoch, Bob Tenner, and Brian Yantis. Ron Price, Dave Armstrong, Rick Iverson and Bill Wiedow coached the fabulous Class of '66.

"In Defence of Self-honor," was the theme of the 49th Annual Boys' Conference.

On Friday evening Herman Melville's "Billy Budd," was presented in the Marlac House. The cast included several officers and other student volunteers. Everyone in the audience felt a part of the play because each was represented by some character on the stage. From watching this play, many could realize the extent of their own self-honor and its effect upon others.

Saturday's keynote speaker, Mr. Jesse Owens.

Saturday

On Saturday evening Boys' and Girls' Conferences met together in the cafeteria for a banquet. Mr. Jesse Owens, the keynote speaker, told of some of his experiences as Youth Director of a Boys' Club. His talk stimulated each one present to wonder about his own self-honor, and whether or not he is too self-centered. Following Mr. Owens' talk, everyone adjourned to the auditorium, where Ginni Clemmens provided an entertaining hour of folk-singing.

Ah, bliss.

Sunday

Dr. Thomas Bennett was the guest speaker on Sunday evening. He noted that self-honor could not be too small or too large. Those with a smaller portion of self-honor have to defend it more strongly.

Following Dr. Bennett's talk, Mr. Fritzemeier installed the officers for the 50th Annual Boys' Conference.

Friday

"Look to the Rainbow" was the theme of the 1965 Girls' Conference. The Rev. Stanley P. Bordon began the Conference on Friday night at the First Methodist Church with his address on "Happiness Is Living"—each day a new world full of opportunity. He stressed that he meant living, not in the sense of "living it up," but in living for a purpose.

Rev. Bordon "Looks to the Rainbow."

Saturday

Saturday morning the Rev. Bordon continued with the theme of "Look to the Rainbow," by speaking on the topic of "Happiness Is Looking"—toward the tomorrow we're building today. He emphasized that we must see the whole world, the good and the bad.

Saturday evening the Boys' and Girls' Conferences held a joint meeting in the cafeteria. The welcome skit to the girls was given by Dave Armstrong, President, and John Willing, Vice President, representing Boys' Conference. Nancy Brown, President of Girls' Conference, and Sandy Butler, Vice President, dressed as two angels (?) welcomed the boys with a comical version of "Look to the Rainbow."

Sunday

At the final portion of the Conference, held on Sunday afternoon, Dr. Elmer Hjortland spoke on the topic of "Happiness Is the Lord"—Religion is here to stay, what are you going to do about it? The main point of Dr. Hjortland's speech was that we should use our "alone moments" wisely, measuring our souls and trying to understand ourselves and our fellow man, rather than wasting these moments with idle daydreaming.

The Conference was brought to a close with the Candlelight Installation of the officers for 1966.

'Ordeal in Black and White'

Two dynamic speakers, a delightful banquet, and the long-awaited announcement of next year's officers made the 1966 Conference on International Affairs a memorable and enjoyable weekend. "Ordeal in Black and White," the conference topic, was interpreted by Dr. Harm de Blij, a member of the Department of Geography and the African Studies Program at Michigan State University, according to "The Conflict of Race and Politics in the Emerging of African Independence." Mr. Keki Bhote, a foreign correspondent for the Jame Jamshed—a leading Gujerati newspaper of Bombay, completed the conference on Sunday afternoon with his talk on "Africa's Unsteady March from Independence to Maturity."

The 1966 C.I.A. was successful, not because of any record attendance, but because it was attended by interested students who came to be informed and went away pleased with the program.

Girls' Club, a tradition at Oak Park, includes all girls. They serve the school in many ways during the year.

Girls' Club acts as the welcoming committee for new girls at a party in September. It helps bewildered Freshman girls through the Match Mate program and Munch held early in the Fall.

Continuing to help others, Girls' Club sponsors the traditional Tag Day, held in December to collect funds for the Korean children and to support other worthwhile projects.

Girls' Club is too large to hold regular meetings with all the members, but several assemblies are held during the year. The Christmas Assembly is highlighted with the reading of both the Christmas Story and the Hanakkah Story. The long-awaited Spring Assembly is especially exciting, for it is then that the new officers and Council are announced.

It is through Girls' Club Council, and its sponsor, Miss Martin, that the many functions of the club are directed. The council consists of four Freshmen, four Sophomores, eight Juniors, and eight Seniors, elected each Spring. The officers of Girls' Club are chosen from the Senior members of Council. The 1965-1966 officers were: Joan Cowan, president; Carolyn Martin and Dayle Sainsbury, vice-presidents; Joel Benson, treasurer; Jean Skidmore, corresponding secretary; and Sharon Swanson, recording secretary.

Three major committees help Girls' Club serve the school. Each committee has two appointed chairmen who work during the year co-ordinating their committees. This year the Special Service Committee was headed by Sandy Holland and Cindy Slotkowski. They were responsible for getting girls to help in the Library, Attendance Office, or wherever else they could be of service. Pat Campbell and Ann Pelz, chairmen of Hostess Committee, co-ordinated the work of the girls who helped in the deans' offices during the day. The Match-Mate Committee was under the direction of Betty Breuhaus and Jane Kaska. They "matched" all incoming girls with a Junior or Senior, and were in charge of the Match-Mate Munch, held in early October.

Match Mate Munch

The Girls' Club started the year by extending a welcome to Freshman girls at the third annual "Supercalifragilisticexpialidocious" Match Mate Munch. On October 2, 1965, all Freshman girls with their Junior or Senior Match Mates attended the Munch held in the Cafeteria in a charming "Mary Poppins" atmosphere.

Debbie Epstein, mistress of ceremonies, introduced the speakers and narrated the fashion show in which a few upperclass girls and their Match Mates modeled what to wear, as well as what not to wear, to various school functions. After the Monogram Club greeting by Jim Figatner, cheers led by the Varsity cheerleaders, and the Loyalty Song to set a mood, the girls made their way to a special section of the stadium set aside for the Match Mates of 1965.

The Match Mate Munch made a "Supercalifragilisticexpialidocious" beginning to the year.

Tag Day really can't be spoken of in the past tense. For our foster children and scholarship winners, it will last a long, long time. The memory of successful Tag Day 1965, with a goal-breaking $1121.92, will be with us always. Many people worked hard to "Ring the Bell," among them Mrs. Jeanette Sorensen, Tag Day adviser, and Miss Lavon Martin, the Girls' Club sponsor.

Fun isn't left out in Girls' Club, for one of its most popular projects is the annual "King of Hearts" dance in February. This dance is the school's only turn-about, and as the name might suggest, a King is elected from a court of Senior boys. This year, the theme of the dance was "Happiness Is Hearts" with "King" Dave Armstrong reigning.

Girls' Club seeks to reach every girl, and to give each an opportunity to enrich her high school years through participation. In attaining this goal, the club performs many valuable services to the school, and to others less fortunate. Thus each facet of Girls' Club seeks the true meaning of the club motto: "Challenges met through the joy of doing."

Freshmen listen to Seniors.

Freshmen Swing . . .

A Freshman begins the first act of the drama known as "Going Through High School."

Once upon a September morning these frightened, timid, insecure individuals enter a brand new world. During the first few weeks of their adventure they are easily distinguished from the upperclassmen because they carry too many books, are often late for classes, and may at times even get lost, except on their way to the lunchroom.

By the time the second semester rolls around the Freshmen have traveled far along the path known as "growing up." Sales of elevator keys and tunnel passes dwindle to nothing as the new-comers learn to recognize upper-class tricks, and separate them from privileges. They begin to assume responsibility and to search for activities in which they may participate. They are nearing the end of the first act of the drama whose end will see them ready to enter college.

In June the Freshmen are renamed the Sophomore class, thus making room for a new group of "Frosh."

Big Brothers and Sisters

When a Freshman has a question about clubs, school activities, study habits, report cards—anything about school—where does he go?

He goes to one of the all-knowledgeable Seniors in that elite group known as Big Brothers and Sisters.

But the Big Brothers and Sisters do not spend all their time distributing bits of needed knowledge. They also throw a gigantic get-acquainted party in September, better known as Freshman Fun Nite.

From September to June, the Big Brothers and Sisters make the Freshman year a little easier and earn the gratitude of every Freshman.

Freshman Honor Roll

(First Semester)

Freshmen study in the library.

Gay takes a lead.

Sophomores

Sophomore year at Oak Park and River Forest High School is probably the worst year—and the best. Sophomores come bubbling back to school filled with the confidence of old hands, yet they are not ready to take over the leadership of the school.

This is that wonderful year when that symbol of independence comes within the Sophomore's grasp, the car.

Sophomores find school spirit an important part of their life. They support our teams as participants and as enthusiastic rooters of their class and the varsity. Sophomores find opportunities to take part more actively in more clubs and councils.

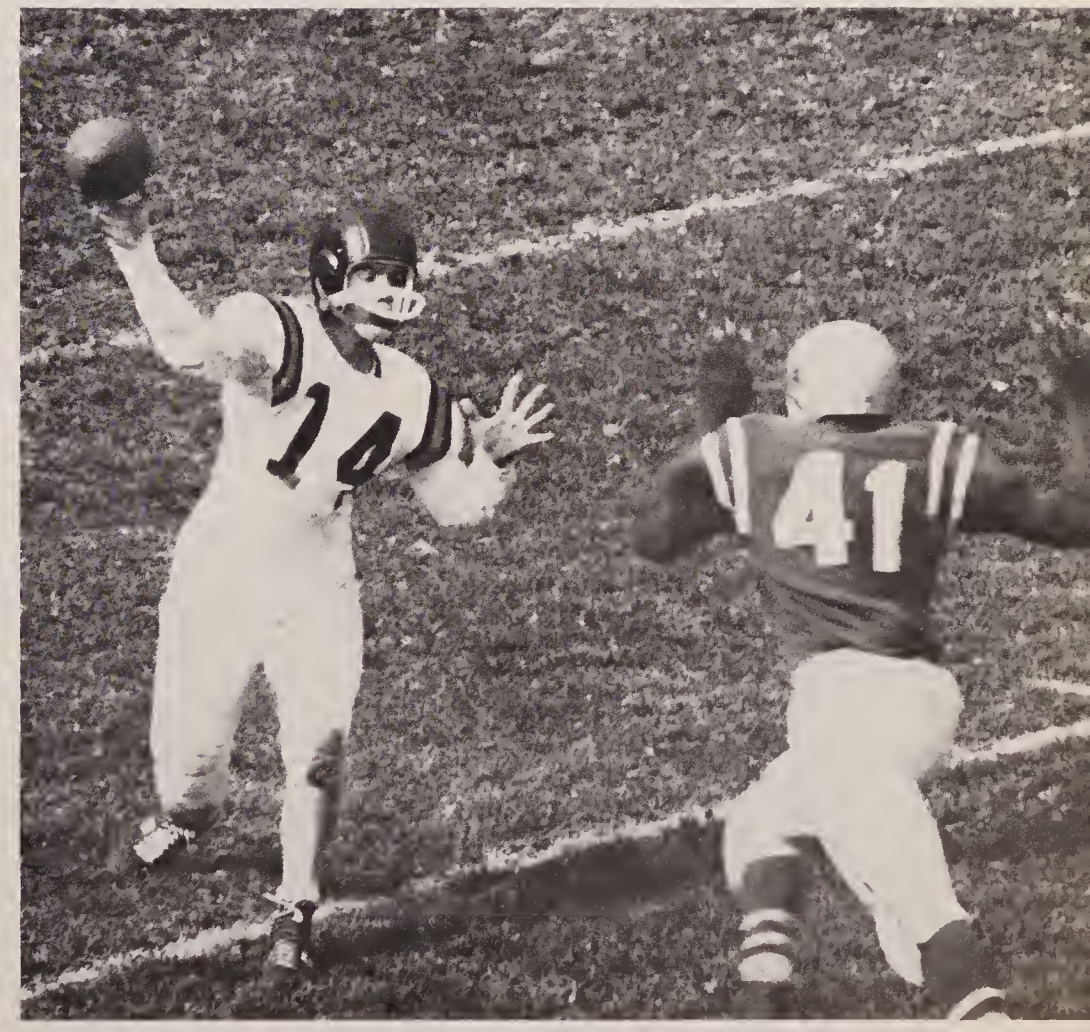
Without the Sophomore class, the Freshmen would feel slighted with no one to tease them, and the upper classmen would have no one to ignore.

Those Confident Sophomores . . .

Sing a song of Sophomores.

Mr. Breningmeyer helps officers.

Time—and time again.



Sophomores near goal.

Nancy cheers Sophs on to victory.

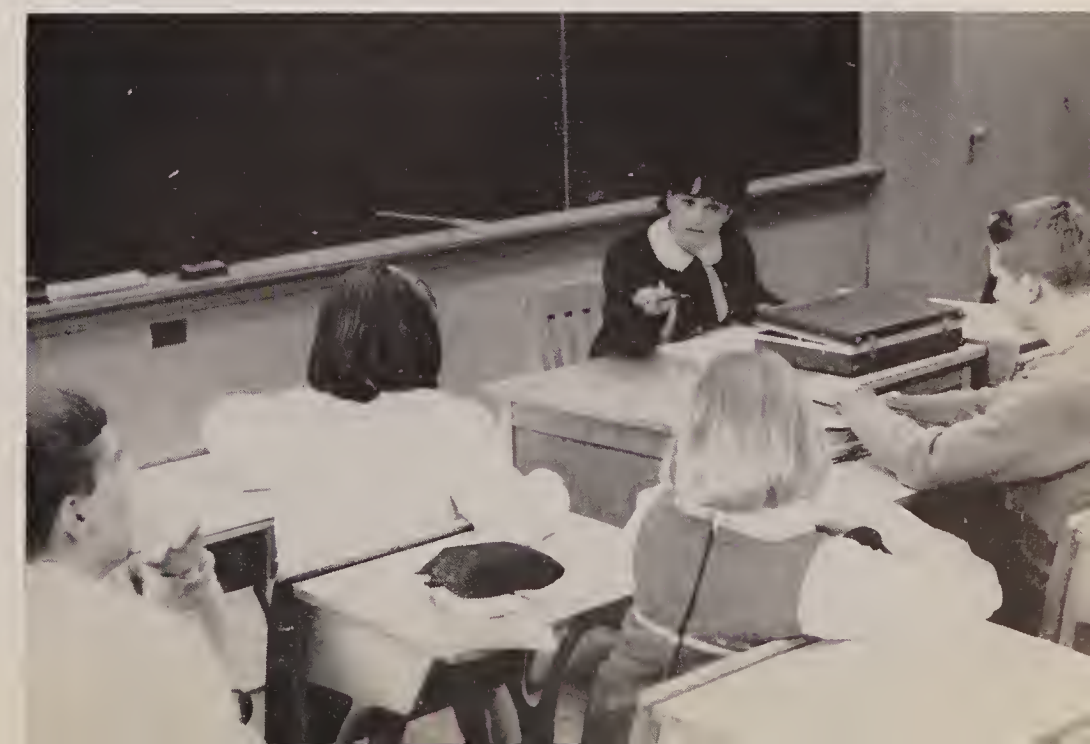
Sophomore leaders confer.



Jim and Paul work the dart board.

The Class of '67 finally arrived! This year the members became Juniors, and therefore upperclassmen. Along with the Seniors they supplied the leaders of the school.

This year the Juniors have accomplished much. The "Cunior Jarnival" and the Prom, "An Evening in Paris," were great successes. In the operetta, "Bye-Bye Birdie" and in Spring Play, "Electra," Juniors played an important part, as they carried several of the leads in both productions. In "Mrs. McThing," the Fall Show, Juniors also played an important part.

Junior year is a year for testing—Preliminary Scholastic Aptitude Test, The Kuder Interest Test, The National Merit Scholarship Test, and College Boards. Besides all of the testing, a great many of the Juniors spent time talking over college and career plans with their deans.

Don't wait to be told . . .

Showcase advertises Prom.

On Saturday, May 7, Oak Park and River Forest High School was transformed into a Parisian boulevard, "Les Champs Elysees," for the Junior Prom. The lovely ladies and handsome gentlemen attending the Prom danced to the music of Al Ford, and **really** danced to the lively music of the Daydreamers.

The Junior Prom was another first for the Class of '67. Formerly the Prom had been open only to students from Oak Park and River Forest High School, but this year students from other schools were allowed to attend as dates of DOOPERS.

After three hours of strolling through sidewalk cafes and Parisian sidestreets, those who attended the Prom departed, with a taste of French life.

... We're Seniors

Last football game

Four years ago we entered Oak Park and River Forest High School to start our secondary education. We were bewildered and apprehensive and, at the same time, full of good resolutions and the determination to achieve some sort of distinction during our high school careers.

These past four years have had a different meaning to each of us. We have each undergone a unique experience. We have been challenged and have responded to these challenges in our individual ways. We have achieved personal relationships with different faculty members and students. We have broadened our areas of knowledge and enlarged our fields of interest. We have made discoveries about ourselves and others through participation in academic, athletic, extracurricular, and social activities. Our experiences in common have taught us the meaning of belonging to a large student body, of supporting its traditions and furthering its achievements.

We have acquired some degree of maturity and self-assurance and accumulated many happy memories during our high school years. We bear little resemblance either physically or mentally to the Freshman class of 1962. We leave with regrets, but secure in the knowledge that we have been given adequate preparation to face future challenges successfully.

Senior Council

BACK ROW—J. Goldberg, Bennett, Moore, Londos, Jackson, Korovesis, Furey. SECOND ROW—Banakis, Clarkson, Dunigan, Porter, J. Schoenfeld, L. Angelacos, Sadove, Heyer. FRONT ROW—Reid, Flickinger, McMasters, Evans, Skidmore, Campbell, Trotter, Yantis.

The Senior year, the last year of high school, is in many respects the most significant. Representing the class and planning the many important projects is the work of the Senior Council.

Composed of the representatives from each homeroom, Senior Council began the 1965-1966 school year by supervising the class float for Homecoming.

The next and foremost Senior Council project came in the spring with the production of Senior Follies. Council handled all aspects of the show, from auditions and rehearsals to tickets.

Later in the year Council organized the Class for the selection of a class gift, the tangible remembrance of the Seniors. The ultimate decision, however, is made by the class as a whole through homeroom voting.

The final and most exciting project for Senior Council is the planning of graduation. Again the Council goes to the class for its decision regarding graduation attire and procedures. As with previous class councils, any remaining funds are left to the following Senior Class.

Senior Class Advisers—Paul Pearson and Douglas Shepherd.

Try-outs for Senior Follies.

We Remember

Freshman Year

All too soon our high school days are over. As we remember, it seems like yesterday we were small Freshmen lost in a school we knew nothing about. But as the days progressed we became involved with the busy life offered us. There were football games . . . Big Brothers . . . The Fall Show—"Arsenic and Old Lace" . . . Girls' Conference—"Horizons Ahead Through Preparation" . . . Boys' Conference—"Faith, Individualism, and Responsibility" . . . Freshman Fun Night . . . Phi Beta Kracker . . . King of Hearts Dance . . . C.I.A.—"The U.N. on Trial" . . . Operetta—"H.M.S. Pinafore" . . . Cheerleading Tryouts . . . Senior Class Play—"The Matchmaker" . . . That was only the beginning for the class of 1966.

Sophomore Year

Our next year we entered our high school life with a bit of sophistication and of course a lot of experience behind us. This year was full of bigger and more exciting things. Driver's Education . . . School Spirit Week . . . "I Remember Mama" . . . One Way Stairs . . . Girls' Conference—"Take Off Your Mask" . . . Boys' Conference—"Youth's Mission To An Alien World" . . . Football Dance . . . C.I.A.—"World Government, Yes or No" . . . "Brigadoon" . . . King of Hearts . . . Junior Class Elections . . . Cheerleading Tryouts . . . "Twelfth Night" . . . This was the year to be proud of being an upperclassman.

Every Senior smiles.

"It's Academic.'

Junior Year

The excitement began to build up in our Junior year. There were Driver's Licenses . . . Homecoming . . . Match Mate Munch . . . P.S.A.T.'s . . . "Harvey" . . . Girls' Conference—"Be A Cube" . . . Boys' Conference—"How Much Do We Owe?" . . . Football Dance . . . Debating Clubs . . . Junior Carnival . . . King of Hearts Dance . . . Operetta—"Plain and Fancy" . . . National Honor Society . . . Junior Prom—"An Eve in Eden" . . . WLS Dance . . . Senior Class Play—"She Stoops to Conquer" . . . The election of Senior Class Officers . . . Now we had three great years behind us to end it with an even better Senior year.

Senior Year

So our final year has arrived, and we are leaving the halls of our school. There was so much for us to do . . . Senior Pictures . . . Being Big Brothers and Sisters . . . "Mrs. McThing" . . . A.C.T.'s . . . Homecoming with Joan Cowan as Queen . . . Match Mate Munch . . . Girls' Conference—"Look To The Rainbow" . . . Boys' Conference—"In Defense of Self-Honor" . . . S.A.T.'s . . . Football Dance . . . Concerts . . . Senior Follies . . . College Interviews . . . National Honor Society . . . C.I.A.—"Ordeal in Black and White" . . . Operetta — "Bye-Bye Birdie" . . . "It's Academic" . . . Let's (W)Right What's Wrong Week . . . King of Hearts with Dave Armstrong as King . . . Senior Class Play—"Electra" . . . Baccalaureate . . . Class Day . . . Graduation.

Senior year is an exciting year, but sad for all at the end.

No Task More Important

No task before our nation is more important than expanding and improving the educational opportunities of all our people . . . For education is both the foundation and the unifying force of our democratic way of life—it is the mainspring of our economic and social progress—it is the highest expression of achievement in our society, ennobling and enriching human life. In short, it is at the same time the most profitable investment society can make and the richest reward it can confer.

Off to school this fall?
Better open a checking account
before you go. Oak Park Trust
has an account especially for you.
No minimum balance
ever required; just a dime a check
and a quarter a month.
You will receive a statement
and cancelled checks every thirty days.
Nice thing about it is,
Oak Park Trust is convenient
for Mom and Dad to deposit to your

Dear Meredith,
When you become
a RN don't get to
fresh with the mail
patients. So just be careful,
and if you can't be careful name
it after me. May all your wishes
& dreams come true. Just remember
one thing, always stay just as you are,
never change.

Love You

Autographs

Dear Mar,
May the future years of your life bring the best of luck and happiness. No matter what nerve-racking thing comes up always keep smiling. Always remember it's been fun working with you at "FABULOUS ZAYRE" (whatta place. Huh?)

Lotsa luck,
Elsie

Dear Meredith,
Best of luck to you in the future! I'm sure you'll make a great nurse, and maybe someday you can give me a shot - Remember Tennis and government with Mr. Johnson (how could you forget?!) over,
Tammy Shuly

Dear Meredith -
We've been in Physics now for a whole semester - we sure suffered as lab partners - neither of us knowing anything - Be good - Best of luck to you next year -
Love,

Dear Meredith,
I don't believe we made it this
past year, English would have
been unbearable without you to
talk to. I've never hated a
teacher more in my whole life.
I'm sorry that your brother
couldn't come home on leave,
it's really rotten. Have fun
this summer, and don't do anything
I wouldn't, which is everything.
Only kidding! Lots of luck in
the future. Love you,
Connie Donald

Dear Meredith -

Mr. Schaepko has been too much. I'll never forget our "talks" with him the day after finals. I hope you don't get stuck with German again - ha. Best of luck next year and I've enjoyed getting to know you this year. Love ya,

Andy Slotkowski

Dear Meredith,

I really have had a lot of fun being in the Dance group and I'm sorry we didn't see more of each other. I hope you enjoy the rest of your senior year. Don't forget us when you become famous. Best of luck to you in the future.

Always,

Jenifer Stanchfield

Dear Meredith,

I'm so much glad we had a short time I've been with you in the school. You are a doll. Since I've been here I've never met a person as easy to talk to as you. Your dressed (even though one) has been quite unique. I enjoyed working with you. Hope you get your wishes fulfilled always, and remember the Position you occupied for more than one year. Good luck in the future, I'll miss you.

Love,

Otterhoffam

Meredith,

Our friendship has been quite unique, and you are simple.

John Trout

Dear Meredith,
Well - our Senior year are almost over! It's been fun being in your gym class and then I hope this isn't the last I'll see you. Lots of luck, Ruth Schaumburg
Guignard

Dear Meredith,
Four years of Miss Koch would have been unbearable if we hadn't had such an unusual homeroom with such great kids as you in it. Lunch alone was fun (when you came) too! Good luck next year and in the years to come.
As always
Laura Waldbart

Dear Meredith,
I can't say what I want because there's no words to put down what I want to say. (It's a little mixed up but, you no mind?) Hope you succeed in whatever your challenge is. Be ~~[illegible]~~ good always.
Much love, always
Barbie

Meredith,
I'm sure you'll remember this class. How can anyone forget? Miss Schultz is unforgettable. It's been fun exchanging comments behind her back and seeing your lovely face at the front lunch table. Good Luck Always - (as though you need it!)
Ellen Nikita

Meredith
We have spent dreamin' on the past 4 years Homeroom was fun, wasn't it. It was gone with our two teams (volleyball) constantly competing. But, most of all look back for good old English. Wasn't it truly entertaining? Hilarious! I'm glad I was around. You liked her, huh. Have a great summer. (much Ed)
Love,
